Self-stowing (40kg/88lb) Delta RF anchor with 90m of chain
Bow rope storage locker
Freshwater deck/anchor wash
Walk-through coachroof seating
Coachroof sunbed area
Deck storage lockers for fenders and foredeck sunbed cushions
Stemhead roller with automatic anchor launch and retrieve
Stainless-steel bow, stern and spring cleats (8)
Stainless-steel pulpit and guardrails
Two electric sternline mooring winches
Stainless-steel coachroof handrails
Forecabin hatch
PVC rubbing band with stainless-steel insert
LED deck level lighting

Full set of IMCO navigation lights
Riding light
Searchlight with remote control
Twin electric horns
Fuel and water fillers
Electro-hydraulic telescopic passerelle (3.8m) with remote control

COCKPIT

Teak decking
U-shaped seating/dining area with folding teak table and two loose chairs
LED overhead and deck level lighting
Tonneau cover
Stainless-steel handrails
Cockpit wetbar including sink, drawer fridge, barbecue, storage and waste bin
Electro-hydraulically opening garage for tender (up to 3.9m)
Electric winch dinghy retrieval system
Life raft storage
Access hatch to lazarette stowage space
Transom door to crew cabin
220/240v shore support inlet in locker
Loudspeakers linked to saloon surround sound system
Twin cockpit gates leading to aft deck and to bathing platform with raise and lower facility (400Kg/882lb capacity), hot and cold transom shower, foldaway swimming

SPORTBRIDGE

Dual station instrumentation and controls (see Helm Position)
Helm position featuring hydraulically raised instrument console with repeat engine instrumentation and radar/ chart plotter multifunction display
Power-assisted steering with adjustable wheel
Adjustable helm seat
Navigation seat
Bilge pump visual and audible warning indicators
Engine room and lazarette fire extinguisher warning system
L-shaped seat (converts to sunbed)
Additional seating around sofa/dinette with folding teak table
Stereo radio/iPod, MP3 dock with waterproof speakers
Aft access from cockpit via perspex hatch
Wind deflector screens
S tainless-steel handrails
LED deck level lighting
GRP radar arch
Console and seat covers
Matched whip aerials for VHF R/T and radio

Bar with sink, barbecue, top loading coolbox, waste bin and storage

HELM POSITION

Twin helm seats with electric adjustment
AC/DC control systems panel
Door to side deck
Clear toughened glass windscreen for unimpaired night vision
Skylights with reflecto-glass and sliding blinds (option of powered opening roof)
Instrument panel
Full engine instrumentation
Fuel gauges
Electronic engine and gear shift controls
Power-assisted electro-hydraulic steering with adjustable steering wheel
Bow thruster control
Rudder position indicator
Electro-hydraulic trim tab controls with indicators
Autopilot
VHF with DSC R/T
Colour radar (with scanner) and GPS/chart plotter (2 displays)
Speed and distance log
Echo sounder with alarm
Remote control searchlight
High-speed compass
Horn button
Chart area with storage
Twin windscreen wipers
Windscreen freshwater pressure wash
Bilge pump controls with visual ‘pump running’ indicators
Fuel contamination alarm system
Air conditioning outlets
12v outlet
Red night lighting

DECK SALOON

Full air-conditioning
U-shaped sofa with coffee table and sofa opposite
HD LED TV (46") (with 3D capability) on rise and fall
Radio/DVD Blu-ray system and 5.1 A/V surround sound system
Sideboards incorporating refrigerator, icemaker and bottle and glass storage
Forward dining area
Blinds, curtains or sunscreens to all windows and doors
LED overhead and concealed lighting (24v)
Stainless-steel framed triple sliding saloon doors
with electric drop window

Skylights over forward area with reflector-glass and solar film

GALLEY

Granite or marble worktop
Stainless-steel sinks with Monobloc mixer tap
4-zone ceramic hob
Extractor fan
Combination microwave/conventional oven with grill
8 place dishwasher
Full height fridge/freezer
Storage cupboards, drawers and lockers
Waste bin
Opening porthole with venetian blind
LED overhead and task lighting (24v)
220/240v outlets (4)
Timber-laid flooring
Combination washer/dryer and storage area below stairway

ACCOMMODATION

All cabins and bathrooms feature opening and/or fixed portholes
All cabins feature 220/240v power points
All bathrooms feature electric quietflush toilets and 240v shaver points

OWNERS STATEROOM

Large double bed with drawers below
Twin bedside tables
Walk in wardrobe
Dressing table with chair
Mirror
Sofa
Storage lockers and drawers
32" HD LED TV (with 3D capability)
Radio/DVD Blu-ray system and 2.1 A/V surround sound system
Panoramic windows including opening porthole with curtains or blinds
LED overhead and concealed lighting (24v)
Individual berth lights
220/240v outlets (2)
Fitted carpet

EN-SUITE BATHROOM:

Washbasin with Avonite worktop
Mirror
Storage lockers
Shower compartment with automatic pump out

Extractor fan
Window with opening porthole and venetian blind
LED overhead and concealed lighting (24v)
Bathroom accessories
Tiled flooring

FORWARD GUEST CABIN

Large double bed with drawers below
Wardrobe with shelves
Dressing table with stool
Mirror
Storage lockers and drawers
Window with opening porthole and venetian blind
Deck hatch with skylight and blind
LED overhead and concealed lighting (24v)
Individual berth lights
220/240v outlets (2)
Fitted carpet

EN-SUITE BATHROOM:

Washbasin with Avonite worktop
Mirror
Storage lockers
Shower compartment with automatic pump out
Extractor fan
Window with opening porthole and venetian blind
LED overhead and concealed lighting (24v)
Bathroom accessories
Tiled flooring

STARBOARD GUEST CABIN

Two single beds with drawers below (with option of double bed conversion)
Bedside table
Wardrobe with shelves
Mirror
Storage lockers and drawers
Opening portholes and venetian blind
LED overhead and concealed lighting (24v)
Individual berth lights
220/240v outlets (2)
Fitted carpet

EN-SUITE BATHROOM:

Washbasin with Avonite worktop

Mirror
Storage lockers
Shower compartment with automatic pump out
Extractor fan
Opening porthole and venetian blind
LED overhead and concealed lighting (24v)
Bathroom accessories
Tiled flooring
Day access door from passageway

CREW CABIN

Two single beds with storage below
Wardrobe with shelf
Mirror
Storage lockers and drawers
Opening porthole and venetian blind
LED overhead lighting (24v)
Individual berth lights
220/240v outlet (1)
Timber-laid flooring

EN-SUITE BATHROOM:

Washbasin with Avonite worktop
Mirror
Storage lockers
Shower compartment with automatic pump out
Extractor fan
LED overhead lighting (24v)
Bathroom accessories
Tiled flooring

Galley worktop in Marble or granite
C hoice of high quality carpet and upholstery fabric from extensive range
Curtains, blinds or sunscreens to all windows and portholes
Crew cabin has timber flooring, crew bathroom floor is black tiled with white Avonite countertops

POWER AND DRIVE SYSTEMS

5-bladed propellers in nickel aluminium bronze
Bow & Stern thruster 240kgf with tripple-station controls
Engine room lighting
Engine room access hatch and ladder
Power-assisted electro-hydraulic steering system
Trim tabs with indicators
Electronic engine and gear shift controls
Engine room extractor fan with electronic time delay
Fresh water supply point in engine room
Dripless self aligning shaft seals

ELECTRICAL SYSTEMS

24 Volt:
4 x heavy duty batteries for engine starting
6 x heavy duty auxiliary batteries
Engine alternators charge both banks of batteries via automatic switch charging system
2 x 60amp battery chargers charge both banks of batteries via an automatic switch charging system
Battery paralleling system with remote control at helm position
Remote battery master switches with control switch at main panel
Circuit breakers on all circuits 220/240 Volt:
22.5kW diesel generator with own starting battery and specially silenced exhaust
Shore support inlet in cockpit
Generator/shore support changeover switch
Power points (240v) in saloon, galley, owner’s stateroom and guest cabins
Polarity check system
Earth leakage safety trip
Shaver points in all bathrooms

FUEL SYSTEM

Twin fuel tanks (in NS 8 marine grade alloy) with interconnection system giving 1055 gallons/ 1268 US gallons/4,800 litre capacity
Fuel fillers on both side decks
High-capacity duplex fuel filters/water traps with changeover cocks and visual contamination warning at console
Remote fuel cocks at lower helm position
Fuel gauges on helm console

WATER SYSTEM

Water tanks totalling 150 gallons/180 US gallons/682 litres plus 16 gallons/19 US gallons/73 litres hot water calorifier

Water heated by engines and 240v immersion heater
Automatic water pump with filter
Main circuit breaker at switch panel
Water level gauge
Deck filler
Electric quietflush WC system with 60 gallons/72 US gallons/272 litres holding tank, content gauge and low noise electric overboard discharge, with macerator backup system as well as dockside discharge system

BILGE PUMPS

Automatic/manual override electric bilge pumps in engine room, forward accommodation and aft lazerette (5 in all)
High-capacity manual bilge pump with valve system and suction points in same areas
Electric bilge pumps have controls and warning lights at main helm and warning light with audible alarm at sportbridge helm

EXTRAS

- Two Raymarine GS165 (15.4”) Multifunction Displays at Lower Console
- Two Raymarine GS165 (15.4”) Multifunction Displays at Fly Bridge Console
- 48” 12Kw SHD Open Array Radar Scanner
- Raymarine International VHF
- Raymarine Autopilot
- TRAC Fin type digital stabilisers
- YachtController
- SidePower Hydraulic Bow Thruster 240 kgf with Proportional Speed Control
- SidePower Hydraulic Stern Thruster 240 kgf with Proportional Speed Control
- Third Station Engine & Thruster Controls in Cockpit
- Onan 27Kw Generator
- Cruisair Air-Conditioning throughout including Crew Cabin
- Dometic Watermaker (180 litres per hour)
- 20 KWH Kabola Heater Mounted to Air Conditioning System with Fan Heaters on Aft Deck
- Towel Heaters in Bathrooms
- Underfloor Heating to Master Stateroom Bathroom
- Underfloor Heating to Forward Cabin Bathroom
- Underfloor Heating to Starboard Cabin Bathroom
- Starboard Side Cabin Electrically Operated Double Berth Conversion
- Teak Laid Side Decks, Foredeck, and Flybridge
- Electrically operated Sun Awning
- Electrically Operated Sliding Sun Roof
- Elecrictally Operated Saloon Venitian Blinds
- Rise and Fall Electrically Operated TV System in Saloon
- Foredeck Electrically Operated Winch
- Continental 220v/240v Sockets
- Underwater Transom Lights (4 x Lumishore SMX54 Blue)
- Forward Guest Cabin 32” TV with Fusion Upgrade
- Starboard Cabin 22” TV + Radio/DVD/MP3 Player and Bluetooth
- Mosquito Screens for all Portlights
- Foredeck Seating Sun Shade (with poles)
- Helm Seats and Sunbed Cushions in Movida Metallic
- Helmsman’s door to starboard side deck
- Electro-Hydraulic Bimini with LED Overhead Lighting
- Stainless-Steel Framed Saloon Door
- Electro-hydraulic raise/lower Transom Bathing Platform
- Bathing Platform Tender Chocks
- Remote Control Telescopic Passerelle
- Fully fitted crew cabin
- Full Height Fridge Freezer in Galley
- Dishwasher in Galley
- Combi Oven and Electirc Hob in Galley
- Wetbar with Grill and Electric Cooler on Flydeck
- Icemaker
- Shorepower Connection
- Electrically Operated Stern Winches

DISCLAIMER / ANSVARS FRASKRIVELS

Yacht Trade Denmark usually acts as a Broker for the seller, unless otherwise stated.
Information about the boat's equipment and condition cannot be guaranteed by Yacht Trade Denmark and is given in good faith, therefore it is the buyer who must review the boat and its equipment, to ensure everything is as described.
The information can therefore not be guaranteed and is only indicative and does not form part of a contract. A buyer is always advised to review the boat and its equipment, including the function thereof, and if necessary, at its own expense, to employ a Qualified Marine Surveyor to complete a review of the boat and / or complete one test sailing and engine testing. Deselect a buyer survey on a boat, the buyer assumes it himself full responsibility for boat condition and performance on hull, bottom, engine and driveline, mast and rig, the boat's electrical installations and all equipment mounted in the boat. Yacht Trade Denmark´s inspection of a sales boat and participation in test sailing, is not liable for any errors and omissions. YTD cannot be held responsible for information about the boat's other conditions, including unknown registrations, VAT and tax conditions, undisclosed damages ect., this information is provided of YTD based on seller's information and not liable for YTD but seller's liability.

Yacht Trade Denmark fungerer normalt som Mægler for sælger, medmindre andet er oplyst.
Oplysninger om bådens udstyr og stand kan ikke garanteres af Yacht Trade Denmark og er givet i god tro, derfor er det køber der selv skal gennemgå båden og dens udstyr, for at sikre sig alt er som beskrevet. Oplysningerne kan derfor ikke garanteres, og er kun vejledende og udgør ikke en del af en kontrakt. En køber anbefales altid at gennemgå båden og dens udstyr, herunder funktionen heraf, og om nødvendigt, for egen regning, at ansætte en Kvalificeret Marine Surveyor for at gennemføre en gennemgang af båden og / eller gennemføre en prøvesejlads og motortest. Fravælger en køber survey på en båd påtager køberen sig selv det fulde ansvar for båden stand og ydeevne på såvel skrog, bund, motor og drivline, mast og rig, bådens elektriske installationer og alt udstyr monteret i båden. Yacht Trade Denmark´s gennemgang af en båd og deltagelse i prøvesejlads er ikke et ansvars pådragende ved eventuelle fejl og mangler.
YTD kan ikke gøres ansvarlig overfor oplysninger om bådens øvrige forhold, herunder ukendte registreringer, moms og afgift forhold, ikke oplyste skader og lign, disse oplysninger er afgivet af YTD ud fra sælgers oplysninger og ikke ansvarspådragende for YTD men er alene sælgers ansvar.
